SUBJECT: TUBE MILL WASTEWATER INVESTIGATION 8-26-89

On Saturday, August 26, 1989, four employees from Patterson Schafer Inc. will be at Cerro to continue their sewer and extrusion press investigation of the Main Tube Mill. This is an opportune time since the Mill will be shutdown.

I will be here by 8:00 a.m. to meet them when they arrive. They will be at Cerro until early evening.
